Additional requirements available at a supplement cost - detailed on following page

How much does it cost to exhibit?

Our costs are very competitive for the service that we provide and stands start from £125 +VAT for regional shows and from £245+VAT at Detling Showground. We like to keep our costs as low as we can, in order to help small businesses grow in this competitive industry. We feel that this cost represents very good value for the quality of wedding fair that we produce and the extensive marketing campaign that we operate for all events to ensure the best possible footfall at each fair.

Please note due to over saturation, we cannot offer 2x2m stands to venues & photographers at Detling shows & these trade types will need to make a minimum investment of a 3x2m stand when booking

Are there any hidden extras?

Our pricing is as transparent as possible and there are certainly no hidden extras. There is a supplement fee of £45+vat for electric at Detling Showground (this is charged per point by the venue - we do not make any profit from this) and electric at all regional shows is free of charge.

For all events - If you need to bring more staff than your allocation, there is a supplement fee of £10+vat per head. If you require any additional tables, these are at a cost of £5+vat each.

If you are a wedding transport provider, there is a charge of £75+vat per inside vehicle or £50+vat per outside vehicle

Can we choose where our stand is?

We do not sell pre-allocated pitch locations and a bespoke floorplan is created for each event. We take into account all stand requirements and set up styles and try our best to ensure that companies that offer similar services are not next to or opposite one another.

On your booking form you can request where you would like your stand to be located, for example you may need to be in a corner or against a wall for your stand to look its best. We will take this all into consideration when creating the floor plan.

Please note Detling show only —1st row positions require a minimum investment of a 4x2m stand. End positions require a minimum investment of a 5x2m stand. Corner positions are for bespoke stands only.

How many of each trade type will you have?

We usually have a maximum of 3 similar trade types at each of our smaller events. The only trade type we have slightly more of is photographers, which would be a maximum of 4. At our larger events we operate a maximum 10% of any similar trade type, for example, if there are 50 exhibitors, we would not have more than 5 of any one trade type.

What are the opening hours of the fairs?

All of our region shows are open to the public from 10.30am until 2:30pm.
Detling is open from 10.30am until 3pm.

When can we set up?

Full set up information and a floor plan will be emailed to you in the week leading up to the event. Most events will offer set up from 9am on the day of the event. Larger events may offer set up from the previous day.

We cannot attend a fair in person/we are just starting out and have a very small budget. Do you offer any other marketing opportunities?

Yes. We have a variety of very affordable options to get your business seen by your target audience which are detailed on page 11 of this information pack.

How do we book a space at your wedding show?

Via our online booking form on our website. Once your booking has been processed, we will send you a booking confirmation and invoice for your space. We advise you call or email the office in advance to confirm if we have space available for your trade type at your chosen event(s).

We accept BACS payments or debit card payments over the phone. Please call us on 01622 587 056 if you would like to pay by card.

Can I reserve a space and pay later?

We are unable to reserve spaces and we book spaces on a first come, first serve basis to make it fair for everyone. We can accept a £50 deposit per regional shows and £100 deposit per Detling show to secure your space at the time of booking, then the balance would be due no later than 6 weeks prior to the event.

If you have any further questions please do not hesitate to call us on 01622 587 056 or email us at enquiries@whiteskyevents.co.uk
